

Psychologist

- Full or part time (negotiable)
- Rapidly growing company with supportive culture
- Attractive salary and incentives

Do you love working with clients and using your skills as a therapist to deliver quality outcomes? Do you enjoy collaborating with colleagues in a multi-disciplinary team, seeing clients in the community? Are you tired of spending time on non-essential administrative demands?

Therapy Pro is a values-driven organisation designed from the ground up to provide a supportive, collaborative and professionally rewarding environment for therapists who love what they do, thrive on variety and who want to focus on providing high quality client-led therapy. Based from home, our therapist see clients in their natural environments.

We are currently seeking enthusiastic therapists to join our established and expanding team to support people to realise their potential across Queensland, Victoria and New South Wales. This is a unique opportunity to work with an innovative and dynamic company with a fresh new service delivery model at the leading edge of the growing and expanding world of therapy services.

The focus of your role as Psychologist

- Apply a high level of professional judgement and knowledge to provide a wide range of psychology services to children and adults with a variety of needs.
- Advise and collaborate with regard to impairment due to illness, injury, disability or ageing.
- Assess the cognitive, behavioural and emotional needs of the client utilising a range of assessment techniques and tools.
- Design intervention plans, including positive behaviour support and cognitive behaviour therapy, that are holistic, practical and outcomes driven.
- Work collaboratively with clients and their family to help deliver evidence based behavioural and therapeutic intervention.
- Establish and maintain positive working relationships with clients, families, team members and other key stakeholders.
- Manage a diverse caseload, prioritising needs and completing client records.

The therapists we are seeking are

- Committed to excellence in service delivery with a strong focus on client experience and outcomes.
- Flexible to meet the needs of clients and their families, working with them in their own natural settings (e.g. home, school, childcare centre, etc.).
- At ease working both independently and collaboratively - based from home, working with colleagues, stakeholders and clients in community.
- Excited to contribute to an innovative new service delivery model.
- Open to expanding your clinical practice to new areas, with support.
- Comfortable using technology and online tools for reporting, communication and collaboration.

Essential requirements

- Hold a degree in Psychology or Behavioural Science.
- Current registration with AHPRA.
- A current open driver's licence and access to a registered, roadworthy vehicle with either third party or comprehensive insurance cover.
- Appropriate certification, or ability to gain (Blue Card, Yellow Card) for provision of Disability Services and/or services to children and young people.

Why you will enjoy working with us

- Positive work environment and culture of collaboration, support and growth with flexible work options.
- Therapy Pro takes care of all the business requirements (finding clients, quality and compliance, scheduling, billing, systems and infrastructure) so you can focus on what you do and enjoy most – working with clients.
- Feel connected with like-minded professionals in a multi-disciplinary team both locally and through virtual teams in other locations.
- A range of professional support, including discipline specific supervision, peer support, and access to performance coaching to ensure you are the best therapist you can be.
- Award remuneration based on your experience, plus car allowance.
- Annual allocation for learning and development.
- Generous incentives based on reasonable productivity targets.
- Professional indemnity insurance coverage.

About us

Therapy Pro offers an innovative approach to providing high quality therapeutic services and training across the whole of allied health services, including Psychology, Occupational Therapy, Physiotherapy, Speech and Language Pathology and Social Work.

Inspired by the vision of 'choice and control' developed by the National Disability Insurance Scheme (NDIS), Therapy Pro has reimagined the world of service delivery with the client central to the planning and delivery of services. The Therapy Pro service model has been designed by therapists with therapists in mind, with systems and culture to support you to be your best.

Therapy Pro is a registered NDIS Provider and provides therapeutic services to those with disabilities, children and the ageing.
